To the Partners and Team of Legal Bridge Europe

Dear Colleagues,

We wish to express our sincere gratitude to the entire team at Legal Bridge Europe for the exceptional professional guidance we received in obtaining Residence Permits in Portugal under the D7 Passive Income programme.

Their meticulous preparation of documentation, clear communication and steady support throughout the process made what could have been a complex undertaking both efficient and reassuring.

From the initial consultation to the day we collected our residence cards, we felt consistently well advised and in capable hands. Every query was answered promptly and every document was prepared to the highest professional standard.

We have already recommended your firm to several colleagues in the United States and will certainly return to you when the time comes to renew our status or assist other members of our family.

Thank you once again for your outstanding work and genuine care.

With warm regards and deep appreciation,

James & Emily Thornton

P.S. We especially valued your assistance with certified translations and apostille formalities — it removed a great deal of stress from the process.
